Thanks Nancy. It is a work in progress. Here is the latest version for everyone. Please let me know about any missing actions and we will add them to the master-file.

David

PADs,

As mentioned on the call yesterday, David Gray and his team put this together – a list of key EPA administration actions over the past year; we are very grateful for this effort.

Think this will be useful as you onboard your RAs.

Thanks ng

Nancy Grantham
